Greetings from our Chairman

Dear All

Welcome to the Commissioners Annual Newsletter.

Let me start by issuing a warm welcome to those who have moved in to the Parish over the last year. I encourage you, and all parishioners, to contact the Commissioners and we will certainly help with matters within our power.

On a sad note, we remember those who lived in the Parish who have sadly passed away in the last 12 months notably Mrs Frances Crellin, Mrs Amanda Hyslop, Mr Reg Thompson, Mrs Joyce Corkill & Mrs Claire Clague (nee Crabtree).

The latest news we have regarding the Eastern Area Plan is that the Public Consultation will take place in September 2019. This will be YOUR chance to speak out and possibly make a difference to potential new builds in the Parish.

The latest news from the Western Civic Amenity Site is that we are in the very early stages of hopefully extending the site. We have to follow the usual planning rules etc but hopefully this will just be a formality. The Western site is becoming more and more popular and a great deal of thanks has to go to the Site Manager, Mike Rose and his team. They run an excellent facility. Last year the site managed to recycle 69.94% of what was received onto the site.

We STILL receive a number of complaints regarding dog mess!! As promised last year, there are now a number of new bog bins with dog bags dotted around the Ballagarey area. PLEASE USE THEM AND BE THE RESPONSIBLE DOG OWNER!! ☺

Local farmers have been in contact with us and have asked us to remind people NOT to trespass onto farmland. Not only is this breaking the law but is also putting livestock (& you and your dog(s)) at risk.

As courtesy to your neighbours, please refrain from feeding Gulls. We are all aware of the diseases carried by them and the mess they leave. Let us all enjoy our gardens without the fear of being attacked by a gull and having to constantly clean windows, drives, walls etc!!

I look forward to seeing as many of you as possible at the Marown Parish Day.

Marown Civic Service

The annual Civic Service will be held at Marown Parish Church on Sunday, 29th September 2019.

Hedges and weeds

Given the recent warm and wet weather we have had, the hedges and weeds around the Parish have suddenly taken on a growth spurt!!

Our contractor is in the process of cutting the usual roadside hedges that don't belong to any property as well as trying to banish all the unsightly weeds.

Please do your utmost to keep your hedges etc cut back. This will make life easier for pedestrians also.

Garden Waste Collection Service

Marown Commissioners are pleased to remind you all that the facility for the collection and recycling of garden waste is available this year to the Ratepayers of Marown.

Kinrade's will be situated in the Car Park at Marown Primary School between the hours of 9am and 11am on the following remaining dates:

15th & 29th June, 13th & 27th July and the 10th August

Proof of address may be asked for.

Bin collections over Christmas

For those of you wondering, these will operate as normal.

Puffin Crossing – Crosby

The long awaited "Puffin Crossing" is hopefully close to being installed.

Our belief from the Planning Conditions is that it must be fully operational before the new houses are inhabited.

With new housing developments West of Marown, the A1 is getting busier and the cars don't appear to be slowing down – despite a 30mph speed limit!!

A puffin crossing will certainly be a great help to pedestrians crossing a very busy road.

Summer BBQ's and Summer Bonfires

Please have consideration for your neighbours if you have a BBQ or if you are burning any rubbish – they too will be making the most of the fine weather we will be having (sometime soon!!)
