

Statutory Notice No. RCO 179

**PROW 360 and 362 Former Railway Line (Marown/Patrick/German)
Temporary Closure**

The Department of Infrastructure gives notice that under section 3 of the Road Traffic Regulation Act 1985, it will prohibit traffic from proceeding on that section of PROW 360 and 362, between its junction with Old Church Road, Crosby to Peel Power Station, Marown, Patrick and German on a rolling closure basis as indicated by signage.

This Notice will be in force from 6.00am on **30 April 2019** until 6.00pm **30 November 2019** or until the refurbishment, surfacing and structures work is completed, whichever is the earlier.

Access to properties will be maintained. Access will also be allowed for emergency vehicles, public works vehicles, and others with the permission of the Department.

This work is being carried out by NK Construction on behalf of the Department of Infrastructure, telephone number **850000**.

Signed by authority of the Minister for Infrastructure
